Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Small neat line of Border x and composite x ewe lambs carrying plenty of weight and shape for their age. Lambs were purchased as mix sex lambs out of the market with the intention to grow out and sell. A percentage of the lambs have had a market crutch, the balance will be done prior to delivery. Lambs are still going ahead and should grow out to nice medium framed mature ewe. Realistic reserve.
