Assessor Comments	A/c Dalwoodman Pastoral, 775 Poll Merino Wths, Nov'20 to Jan'21 Drop, M&TS, av40.5kg. This is offering from the Withers family of the late spring summer drop wether lambs and a 14% tail has been drafted off prior to assessment. These lambs were born on their Wentworth property and Truck to Keith in March 2021. Since being drenched and on good feed in the last three weeks these lambs are freshening and filling out. With the frame and depth of breeding genetics these lambs would suit a finishing Fattner and would also be great wethers to run as woolgrowers. They are plain of body, good frame for age Poll Merino wethers.
