Vendor Comments	Annual sale of woolly wether lambs		
Assessor Comments	A good line of Ridgway blood wether lambs that present in store condition. These lambs have had a very tough start but have turned to corner since being on green feed for past 2-3 weeks. Lambs will grow out into large framed wethers for the meat trade or turn into very good wool cutters. Shearing will really bring them on. Small % of lambs were marked late may still have tails at delivery but have had rings placed on. Buyers please note lambs were wet at assessment. Please note vendor has 155 wethers in sale sale for different property.
