Assessor Comments	A good line of cross bred lambs that have never had a bad day in their lives. These lambs a fresh and now all weaned and upto date with all their animal health, just give the a crutch and watch them grow. Lambs are in good feed and will be until delivery. 1 black lamb in the mob and a few will need a crutch. Note the delivery dates. All vendor bred and bred out of large frame SA ewes. A couple of late drop lambs in the mob are unmarked but will be removed at delivery.
