Vendor Comments	These lambs would normally be retained and sold of as prime export, but offering early due to seasonal conditions

Assessor Comments	A quality line of Store Cross Bred Lambs that present in store/forward store condition. Lambs are 2 weeks off-shears, drenched, vaccinated, backlined and ready to turn out on pastures or put into the feedlot. These lambs would normally be retained by vendor and sold as prime export lambs out of the feedlot but are being offered early due to seasonal conditions. Ideal lambs that have performed well for vendor and purchasers in the past. Lambs bred from a noted quality local breeder who only buys top end rams and are 1 Biosecurity accredited. Buyers note these lambs are in an ESI until 26th October.
