Assessor Comments	An excellent line of 1st X Suffolk sucker lambs with a 12% tail removed. They are going ahead fast on strong feed and will continue to gain weight before delivery, these are ideal lambs to turn out and will be excellent heavy weight lambs. They have grown out well for previous purchasers and the Webbs themselves. Ewes and lambs were in a holding yard with some grass and no water 24hours prior to assessment. Carawebb have another line of Xbred sucker lambs in this sale and two lines of Merino suckers.
