These cows were easy to handle in the paddock with bikes and dogs. In the yards the cows were not hard to draft up through round yard but had a bit of run in them.

Assessor Comments

This is a opportunity to secure a line of store cows, on the do and only need a oat crop or similar. Majority of these cows have good frame for weight gain and enough cross in there breeding to go ahead for a future slaughter. Cows are aged 3 - 8 yrs and where vendor mouthed. Vendor has 8 other lots of cattle in this sale.
