Assessor Comments	Quality EU commercial breeding cows that are being sold as a management mob of 2015 drop L cows age group. The Cows are putting everything into the calves which are fresh and not marked. Calves are by Abington Angus Bulls. Calves have been born over a 10 week period commencing early July. One calf has a small patch of white on the end of his pizzle. Two other calves have a small amount of white on under belly. One cow has a blue eye and another has had an eye removed when she was a calf. She can see perfectly well and its hard to notice. Three cows have white around the udder. Cows that are on the market as the vendor has so many young cows coming on. PLEASE NOTE PHOTOS & VIDEOS OF CALVES ARE SAME FOR MOBS L&N AS THEY HAD BEEN RUNNING TOGETHER AND HAD NOT BEEN MOTHERED UP AT ASSESSMENT.. VENDOR HAS 2 OTHER LOTS COWS SAME BREEDING IN SALE
