Assessor Comments	A great run of Angus & Angus cross 1st and 2nd calvers. Cows and calves present in a strong store to forward condition and are well grown out as they were joined as 3yrs and older. Cows have done a exceptionally job on their calves averaging 205kg and have been running back to the Bannaby Angus bulls continuously since calving. A great opportunity to acquire young proven breeders for years to come. Please note few cows showed signs of rubbing and (2) had a blue or cloudy eye not deemed detrimental to future breeders. Note that the calves are marked all the hard work done.
