Temperament

Yards

Crush

Paddock

Slightly Stirry: 20 head
Stirry: 10 head
Aggressive: 2 head

Slightly Stirry: 14 head
Stirry: 14 head
Aggressive: 4 head

Temperament not assessed in
Paddock

Cows are very unsettled and have a lot of run in them and show some aggressive traits especially under pressure.

Handled With

Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , Horses , On foot

Assessor Comments

Brahman cross cows that have not settled well since arrival, but they have actually done a very good job on their calves and are all back in calf to the Te Mania angus bull. At preg testing there was 28 cows that tested 4 to 6 months in calf and are marked with pink paint. The cows are in store condition and should be some extra weight gains to be had now the calves have been taken off, recommended for experienced stock people only.

Assessor

Ben Redfern (Level 1 Accredited) Phone: 0457 770 062
