Assessor Comments	A nice line of one mark Droughtmaster females safely preg testeted in calf to Top Quality Millah Murrah And Waverley Angus Bulls. Older cows were all mouthed at assessment and were all in good order, note there is a large % younger cows in the lot. Cows present in good order note one of the lighter weights was a younger cow. Very good opportunity to secure one mark sound females that will calve in the autumn for 12 weeks. note one cow had dewlap under ear not affecting her in any way.
