Assessor Comments	Good line of Cows pregnancy tested in calf to Pine Creek blood Angus bulls from 15/2/2021 - 23/5/2021. These cows were purchased earlier in the season as cow and calf units and did a fantastic job on there calf given the favorable seasonal conditions. Please note calves weaned off cows 8/8/2021. Good productive low maintenance cows that will make good breeding cows.
