Assessor Comments	An even line of mature age Shorthorn/Santa cross heifers Rising 2 year old and PTIC to the Coffin Creek Angus bull. Vendor purchases bulls from the Coffin Creek Angus sale based on low birth weight figures. The Heifers are starting to spring up and present in ideal condition to calve down. A good mix of roans and red they all have small scurs from being dehorned and are just starting to clean up in the coat heading into the spring. Ideal opportunity to purchase heifers to calve down in the spring that can begin calving in October for 10 weeks.
