Assessor Comments	Very well bred heifers that have been well weaned and have settled exceptionally well. Very easy to handle. Worked very well in paddock and through yards. One mark heifers that wouldn't be for sale except for the fact the property has been sold. They now must go. From exceptionally well bred line of cows. Mothers are very eye catching in the paddock , these are true front paddock cattle.! Ideal to join from now onwards. Nb- 1 heifer observed with blue spot on eye. Not considered detrimental.
