Assessor Comments	A line of Vendor Bred Heifers in great order, to calve to a Red Limousin Bull, due to commence early October on a short, Six Week joining. Vendor has transitioned into Beef cattle from a Dairy Herd and consequently there is a trace of Limousin and Friesian through the Cows that bred these Heifers. An uneducated eye would not pick it and to all intents and purposes they are Black Heifers. Photos and videos are your best guide. Please note joining dates. Do not recommend transporting long distances. Note, Three Cows that have been running in the same mob with same joining details, also on offer in this sale.
