Assessor Comments	Large framed Cows carrying no surplus weight. Ideal Store cattle to utilize the Spring feed that is starting to jump out of the ground. Unfortunately unable to provide much in the way of joining information, other than in the Scanner's opinion, they are 3 - 5 Mths in calf. 16 Cows being offered in Three Lots. These are the largest framed of the Black Cows. Note a fair bit of rubbing due to lice. Have had no recent health treatments.
