Assessor Comments	This is a nice line of 3 lots of 200, 1st cross ewes run out the gate. These ewes have plenty of stretch depth and bone and will grow out into large frame breeders. These 1st cross ewes are out of large frame Western bred Egalabra and Kerrin Poll Merino ewes by top Bindaree and New Armatree Border Leicester Rams. These ewes are true to type with good weights given they had a slow start with very cold wet winter, they are packing the weight on now. A must to consider, good runs of joinable ewes are hard to find. Twenty ewes mouther at assessment found most ewes just cutting their two teeth.
