Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	An excellent line of Vendor bred Plevna Blood Maiden Merino ewe hoggets. A great opportunity to purchase young ewes with over 30 years of breeding behind them that will not disappoint. These ewes are being sold as are excess to needs and have had a 10% tail removed prior to assessment. Vendor breeds for early maturing sheep that still grow quality wool. These ewes cut 7.5kg of 18um wool at 10 months of growth. Ewes are mulesed and August shorn. 2 ewes with old dermo scarring. Odd ewe with 2nd blue tag that was used to measure weight gains in flock. Buyers please note older sister are also in same sale.
