Assessor Comments

Prime lamb breeders, here is a great opportunity to secure a quality line of young western bred Border Leicester x Merino first cross ewe lambs and hoggets which are SIL to Poll Dorset rams. Ewes comprise of 3 marks, purchased ex Warren and Trangie districts. They are off shears and scanned in lamb at 118% to Ridgehaven and Goonigal Poll Dorset rams, to commence lambing in the 3rd week of October. Ewes show good frame for their age and should continue to grow out. There is a total of 414 ewes in the mob (18% tail removed), to be offered in 2x lots of 207 head. Twin bearing ewes are marked with a green dot on the rump and will be distributed evenly between the 2 lines if sold separately.
