Preg Scanned?	No, this lot was not pregnancy scanned.		
Other Joining Details	2 rams with 103 ewes for 3 months		
Assessor Comments	On offer are a quality line of 103 Station mated 1st cross Ewes that are a genuine Border Leicester / Merino cross. They are 3 years of age and range from 53kg - 90kg and average a curfewed weight of 68kg. These ewes were joined to Poll Dorset rams from the 2nd of May until the 11th of August and there were 2 Rams running with 110 Ewes. Small tail was taken out leaving a quality line of Station mated 1st x ewes that are in the prime of there lives and have had great breeding success in the past, having above 100% lambing percentage each drop. Great opportunity to secure some high class breeders.
