Assessor Comments 48 Australian White (Tattykeel Certified) maiden ewe lambs Feb/March 21 drop, bred from Tattykeel rams. These ewe lambs were weaned on the 30/4/21 and are very well grown. These are the first line of ewes to be sold by the vendor in 5 years as he has been building up his numbers. They are a wonderful article that would be an excellent starting point for anyone getting into the Australian White market. These sheep are true to the breed and well worth a look.
