Assessor Comments	Australian White ewe lambs, NSM, Grantham and Tattykeel blood, never shorn, ready to be joined. This line of maiden ewe lambs are an outstanding lot of commercial Australian White future breeders. Grantham sheep are renowned for their high yielding carcases. Grantham Ewes are scanned every year and non-performing Ewes are culled. With Tattykeel genetics, they are sure to tick the boxes of anyone wanting to get into breeding Australian Whites. These ewes are being sold as part of a flock dispersal.
