| Assessor Comments            | A neat line of 207 sound mouthed 6.5 year old Bundaleer blood merino ewes that have had all the faults taken out of them. These ewes would be good to do a mutton jobs with or join to the rams of your choice. These ewes are great wool cutters and are two months off the board. Please note ewes where detected with lice before shearing and have been treated with Eureka Gold straight off the board. |
