Assessor Comments	These 80 One mark Quality Future breeders are the tops of the drop, bred locally out of medium to large frame riverina ewes by McCormack BL Rams, they are very well grown for their age with good body depth,length & stretch. Fertile ewes that were bred out of a merino flock that averaged 130% lambs weaned. They are Gudair vaccinated ,had a small crutch & are December shorn but could be shorn earlier with 80ml on them already. Will look the part in anyones front paddock. Highly recommended.
