Assessor Comments	Complete Dispersal of Breeders ewes that are only being sold due to increased cropping program. Medium/Large frame sheep that will cut some nice wool. Great opportunity to replace old sheep with young sheep and retain as future breeders. These ewes are starting to freshen after shearing and weaning the lambs of them. All these sheep need are 6-8 weeks of good feed and you will have some middle age proven breeders ready to join to a ram of your choice. Please note there are other age groups in the same Auction.
