Assessor Comments	275 Merino Ewes with approx. 277 White Suffolk lambs at foot marked with rings on the 6th Sept majority of the lambs are 3 weeks to 10weeks old. Ewes were shorn at the same time as marking and vary in condition from light store condition to good score 3 condition. Most of the ewes are score 2 condition with approx. 10% ewes are small frames in light condition with majority ewes being good medium frame and score 2 condition with some of the larger frame ewes in score 2 and 3 condition. The sample ewes weighed were mouthed and approx. 20% were broken mouth reflecting the age of the ewes. Recommendation would be when the lambs are weaned, - fatten the broken mouth ewes and prepare them for sale. Rams were removed on the day of assessment. This mob of ewes and lambs represent an opportunity to wean and keep the lambs on for finishing and sell the older ewes.
