Vendor Comments	They've given us some very good lambs, only selling them to make some room

Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Handy line of breeding ewes with a few lambs left in them. These have done a great job for the vendor, weaning 117% lambs only 1 week prior to assessment and would've been retained but to make room for lambs coming through. They are made up of 4 lines of SA Mid North bred ewes and are predominantly medium frame in forward, freshening condition.
