Vendor Comments	Annual Sell Off Of Surplus Ewe Hoggets.

Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	92 Glenlea Park Bld Ewe Hoggets showing plenty of frame for the season, just needing to be topped off on greener pastures. The ewe hoggets have come from a flock with a six month shearing rotation and have been consistantly achieving 55-60mm wool length in the hoggets. Good young ewes that will mature in to large framed sheep given the opportunity. #Ewes will be crutched prior to pickup.
