The Lockhart Family prides them self on producing Quality, and these MWL are a reflection of just that. A great chance to purchase highly regarded dual purpose merinos lambs that will cut heavy fleeces and produce a Carcass that weighs. Since shearing these lambs have put on a lot of weight and cover and would be ideal to feed on with the capacity to turn over short term as good trade weights or take through to export weights. Bred from large frame Merino ewes these lambs will not disappoint. please note the second draft of these merino lambs is also offered in this sale as well as a line of 1.5 yo Merino Ewes.
