Assessor Comments	**A/C MOOLA PASTORAL “CUNNINYEUK” NSW**. A fantastic opportunity to purchase a lead draft of an entire drop of 398 MWL, A/M 21 Drop, Unshn, Keri Keri blood, Moola Bred, tail stripped. A Rare chance this season to secure MWL that present as very fresh types that are well on the do after been weaned and stand in true Keri Keri bld form, showing great carcass traits, strong bone and clean points and faces as well as presenting a stylish jacket that is white and bright . These lambs would be ideal to put straight onto feed with a surety of fast turn around and upside of a shearing. Highly recommended lambs!
