Assessor Comments	Options of 2 x 500 head in sale, Moopla lambs are weaned ,vaccinated, fly treatment, grain history all there lives, ready to go on as wool cutters or fattered for next year, will grow into trade or export wethers given the right feed, just a run out the gate of lambs. Some of the lambs there eyes have weaped from dust , vendor has treated them, ideally give the lambs a crutch when you get them home.
