Excellent	50%	Light	90%
Very Good	50%	Medium	10%

Assessor Comments	A very good line of young shorn wether lambs, that will grow on to produce both wool and meat. These lambs are from within the Ridgway Poll Merino Stud, so are lambs that have been classed out from within the stud. These wether lambs were only castrated late and may still have a small scab from this. A highly recommended line of wether lambs.
