Assessor Comments	Young Merino ewes presenting in forward to prime condition, scanned 100% to Kanoona Park White Suffolk rams. Ewes have done extremely well since Feb when arrived from W.A, they have grown into a very nice line of good roomy ewes, given the opportunity securing these fertile young wool producing ewes could enhance your operation. Of number handled 9 head small ewe scur horn, one a bit thicker, not detrimental. Being offered in 2 lots with delivery to be a run out the gate. Sisters SIL twins also same sale.
