Assessor Comments	On offer is a line of young western bred Border Leicester x Merino first cross ewe lambs and hoggets. The line of ewes comprise of 3 marks, purchased ex Warren and Trangie districts on AuctionsPlus. Ewes show good frame for their age and should continue to grow out. These ewes were joined and have scanned undetectable, however they were joined in store condition as ewe lambs and deserve another chance now they have started to move forward. A good opportunity to secure young ewes to put to the ram of your choice. Noted a few ewes carry scur/horn. Also a few off-type ewes, which have either thrown back to the Merino or look to have some terminal influence. Vendor also has SIL ewes of the same description on offer in this sale.
