	C (61-65cm)	5%	Good	5%	Medium	20%	FAQ	5%	
					Heavy	5%			
Assessor Comments	A very handy line of young Pastora Poll Merino ewes that would suit merino or terminal production. Theses ewes show good shape and depth for age and will grow into mostly large frame ewes given the opportunity. At an av of 56.5kg and a 65mm skin take them home shear and join now for a quick cash return								
Assessor	Simon Coddington (Level 2 Accredited)
