Vendor Comments	quality ewes that all lambed twins this season

Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Great oppurtunity to purchase these 285 quality large frame WA bred 2017 drop Merino ewes. These Fertile ewes have all lambed twins this year and their white suffolk lambs weaned off them a month ago. They are stacking on the weight since lambs weaned and will continue to do so and will be in perfect joining condition for an early joining. All Dry and single bearing ewes were removed from mob and sold at scanning in early autum. Note ewes have 3 ear tags. For genuine sale as vendor going back to an all spring lambing program.
