Assessor Comments	Great opportunity to purchase a line of ewes and lambs with great breeding attributes. Ewes are 1st cross been Border Leicester / Merino and the lambs are bred from White Suffolks for a 2nd cross lamb. These lambs are still very sappy and averaged 24kg @ assessment, Have had both 6 in 1 needles and given the correct management and feed these lambs will continue to grow. Ewes are doing a fantastic job with their lambs while also presenting in a very good condition themselves. Only green tag ewes so they still have plenty of life left in them to perform. Nice framed ewes with good stretch that averaged 74.8kg @ assessment. Note that while assessing 1X ewe seen with a black face/jaw, 2x losing wool & 1 lamb been crutched from flystrike but is healthy and recovering.
