Assessor Comments	A line of young wool producing ewes that are bred from a flock that has been established to be a diverse fiber and meat production unit. These young future breeders present in strong forward condition, they are medium frame for age with ample bone and stature. From a medium woolled Merino flock capable of filling bales. This is a sale of surplus to requirement young ewes with the potential to be productive wool growers that can be joined to the breed sire of your choice. These represent the lead group of 885 ewes offered over 2 lines that have the potential to mature into good medium framed sheep.
