Assessor Comments	Opportunity to purchase 216 future breeder ewe hoggets that are normally reserved for the Bordertown off-shears sale, topping the sale numerous times before covid. These deep body ewes are ideal to mate to any terminal sires of your choice, also providing a quality white wool. These are the Groocock family annual draft of surplus young ewes, showing great growth for only being 12-14 Months of age with some of the ewes still showing lambs teeth.
