Assessor Comments	This line of 400 May / June 2020 drop Dohne ewes represent an opportunity to purchase high quality commercial focused genetic from a leading Dohne ewe flock. They will be offered in 2 x run out of the gate lots of 200. Ulooloo run a very successful Dohne stud along with a high quality commercial ewe flock. These young ewes are just a run of 400 out of the 2020 drop. They have not been classed out. These ewes have been running on short native pasture paddocks. From past experience when placed on improved feed they will gain body weight rapidly. Ulooloo is MN3 accredited and brucellosis certified.
