Assessor Comments	Offering on behalf of CA + JM Smith is the second draft of 84 rising 1.5yo, MAR/APR drop, Gunallo bld Merino ewes. Ewes are medium to large framed and present in a forward condition averaging 47kg. They are August shorn where they cut 6kg of 17.5 micron wool and backlined with Avenge out of the wool. Vendor classes out young ewes at 40% so the quality remains very good throughout the line. Please note ewes we assessed in damp conditions so photos don't do this mob any favours. This is a great line of young ewes to take on and incorporate into any existing Merino or Crossbred operation and should not disappoint.
