Assessor Comments	Buyers here is a good run of Droughtmaster & Crossbred steers from the Glenlands commercial and trading herds. Presented in light store condition and will really excel on good quality feed. The Droughtmaster steers within this group have come from the commercial herd that carry the renown Glenlands genetics. The remaining crossbred and brahman types have come through the system off trading cattle. These steers will make good heavy feeder steers for the grainfed markets or alternatively make good grassfed finished steers also. Well handled and ready to perform. Your buying frame and no weight here. Pre-treated for ticks to present to clear for clean buyers. Assessed to truck on a 4.5 deck unit
