Handled With Bikes

Assessor Comments A nice 2 deck line of Angus steers off the oats to suit a feeder market or grass fattening job. Currently running on oats and returned same, good steers to handle. Steers were yard weaned and mustered using bikes. Of the 56hd, 4 had white faces or white under their belly's, another 4 steers were deemed to be Angus X Angus /Santa cross showing longer in the sheath and ear. Steers were in the yards overnight before assessment. Option to buy $/hd or C/kg. Please note steers have been

	fire branded with their BZE but some are blotchy. Another lot of lighter steers same sale.
