Initially a little bit stirry in the yards, but didn't get a cool off after mustering before being weighed and assessed. Handled and drafted easily & quietly by a single handler down the back yards. Led up the race and stood on the scales fine. Not too pleased about being caught and mouthed, but settled once back in the mob with their sisters. Considered very easy to handle by a stockman experienced with Northern bred cattle

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	Good run of Heifers in fresh condition and well on the do, all coming back in this time with a healthy glow on their coats and having picked up a fat score. All mouthed up and to receive a PG at delivery for buyer confidence. Females that will continue to go forward on either grass or if introduced to a feed ration. Please see photos and video's for full contentment.
