Assessor Comments	A good line of Angus and Angus cross steer yearlings 9-12 months of age and improving quickly on quality feed. There is 7 vendor bred steers and 14 steers purchased ex Dubbo regional markets as weaners. 1 steer has small ringworm on head and 1 has birthmark patch on coat. These steers are quiet and easy to handle, they have had all their animal health completed recently and are in perfect condition to power on and fatten into the strong trade or feedlot markets. Vendor will have another lot of similar weight crossbred steers in the same sale.
