Assessor Comments	A opportunity to buy 4 decks of station mated Brahman & Brahman X cows and calves. Cows are best described as medium to large frame and present in store to forward store condition. Cows are doing a great job on calves and are going forward in condition. Cows have been depastured to Charolais, Brangus & Droughtmaster bulls for past 2 months. At assessment 2 x cows noticed with rub marks on neck and 5 x cows with capped hips. A great article to fatten and split in the spring. **Vendor also has 2 other lots in same sale**
