Assessor Comments	Vendor bred EU cows that have been preg tested in calf after a short joining. The Rockvale herd was purchased by the vendors 10 years ago when they purchased the property. The herd then was a Shorthorn/Santa, Shorthorn Angus cross herd. In the last 9 years only Angus bulls have been used and the more Angus type females retained. There is two Black Baldy type Three blue Roans. The balance are black coated and may have a very little bit of ear and /or naval with six head having white under the belly. These cows are 75% or more Angus. The herd is on a Pestiguard program and have had annual boosters.
