Assessor Comments	Quality young females genuine 1st calvers. All calved unassisted and have done very well on grass, these heifers will continue to explode and put on condition shown the feed. They are milking well and with time will become lovely roomy future breeders. Calves all of good quality and type and will grow into lucrative weaner or heavy cattle. Cows ready to join to the bull of your choice. Nice types that will grow into lovely cows. Very quiet. 1 Baldy cow has slight blue eye not affecting her sight.
