Assessor Comments	40 x 3 - 7 yo PTIC cross bred cows that are 5 - 8 months in calf to Angus bulls. The majority of the cows are flatback which will ensure the calves will suit our domestic market. Ideal cows to calve down and split later on. PLEASE NOTE Approximately 4 cows with caped hips, Only a few cows had age brands, there are no old cows in the mob but the ages cant be 100% guaranteed.
