Assessor Comments	A small mob of cows and calves, six 6 year olds and one 10 year old. The cows are well grown, and the calves have an 8 week spread. As can be seen in the photos, a couple of cows udders are starting to lose a little elasticity, and one cow has a couple of enlarged teats. The cow's feet are good. One cow has a very slight blue eye, which when photographed barely shows up. The vendor has 7 heifers and calves in the same sale.
